

THE PRESIDENT TO GRANT PARDON TO WM. JANUARY

HAS PROMISED SENATOR WARNER TO EXERCISE EXECUTIVE CLEMENCY.

HE ESCAPED YEARS AGO

And Has Since Lived an Exemplary Life in Kansas City—Thousands Signed Petition.

Washington, April 30.—Missouri's Jean Valjean is to be saved from the penitentiary. The President today promised Senator Warner that he would exercise executive clemency in the case of John William January, alias Anderson, recently arrested in Kansas City, after living an upright life for nine years, following his escape from the Leavenworth prison, where he was serving a sentence for robbing a postoffice.

Senator Warner brought to the White House a petition signed by 2,500 prominent citizens and told the President that another bearing the signatures of 37,000 was all ready to ship east.

The Senator also brought up letters signed by judges, ministers and business men praying for January's pardon.

The President wrote this note to the attorney general:

"In view of the statements of judges, bank presidents, etc., who know him, I think Anderson's nine years of life as an honest citizen warrants us in commuting his sentence at once or pardoning him outright."

AN ATTEMPT MADE TO ASSASSINATE CHIEF EXECUTIVE

Washington, April 30.—An official cablegram received here states that the bomb thrown at President Estrada of Guatemala, seriously injured him.

Guatemala, April 30.—An attempt was made early today on the life of President Estrada Cabrera. While out driving a dynamite bomb exploded near his carriage killing the horses and wounding General Arellano, chief of staff. The president was not injured.

NEW MEMBERS OF THE PARDON BOARD

Columbus, O., April 30.—Governor Harris appointed the following members of the state board of pardons: George Ewing of Lancaster, reappointed; John F. Fox of Darke county, vice J. S. Hatfield.

AMERICANS WON

First of International Boat Races at the Jamestown Exposition Monday.

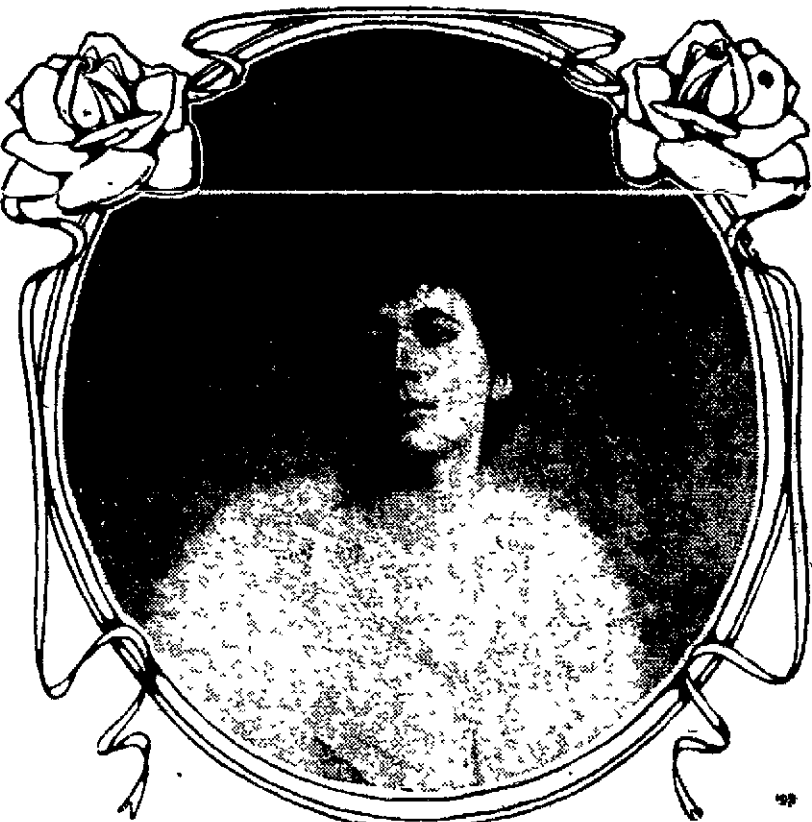

Norfolk, Va., April 30.—The first of the international boat races between the officers of warships gathered off Jamestown exposition grounds in Hampton Roads was rowed between boat crews from the British armored cruiser Rexburgh and the American battleships Alabama and Virginia. The Britishers were left far behind after holding the lead for the first hundred yards, and the Alabama jockies won from the Virginia's crew by a scant 10 yards after a bow and bow struggle over the mile course. The victory for the Alabama's men won for them the "Jamestown" cup.

RECEIVER NAMED FOR CINCINNATI CO.

Cincinnati, O., April 30.—On petition of C. H. Pease a receiver was named by Judge O'Connell for the Pease company, manufacturers of sash, door, building material and general mill work. By agreement, W. A. Bennett, president of the Cincinnati chamber of commerce, was appointed receiver, and gave a bond in the sum of \$25,000. The company is capitalized at \$50,000 and the assets are estimated at over \$300,000, with liabilities estimated at \$200,000. Pease is president and a large stockholder in the company. He asks the court to take the business in charge and conduct it through a receivership, in order that the business may not be sacrificed by creditors who are pressing for collection.

BRIDE WITH \$500,000 WEDDING GIFT

Miss Irene Untermeyer
Photo by Campbell Studio

NEW YORK, April 30.—In the presence of several hundred guests Miss Irene Untermeyer, the daughter of Mr. and Mrs. Samuel Untermeyer, was married Saturday to Louis Putnam Meyers, in the historic Tilden mansion. It was authoritatively reported that Mr. Untermeyer settled a dowry of \$500,000 on his daughter. The bridegroom is a descendant of Israel Putnam of Revolutionary fame, and is a graduate of Yale. The bride is a pretty favorite in social circles.

TAMMANY HALL WILL BE LED BY CHAS. MURPHY

CONFERENCE HELD BETWEEN T. D. SULLIVAN AND MCCLELLAN'S REPRESENTATIVE.

AND AGREEMENT WAS MADE

Present Leader Says He Will Hold on Until He is Ousted From His Position.

New York, April 30.—Following a conference between Timothy D. Sullivan and Corporation Counsel William B. Ellison, the latter of whom represented Mayor McClellan, an end to the contest between Charles Murphy and the mayor for the control of Tammany Hall was announced.

Mr. Ellison gave out a statement in which he said the mayor will be left to appoint the highest class of men he can and for city offices, but that he (Ellison) will advise against men inimical to the Democratic organization or its leaders. Mr. Sullivan, he said, agreed that only efficient men should be retained in or appointed to city offices. The mayor will recognize the right of its leaders to control the Democratic organization, and will ask the organization to give him its support in its efforts to solve the great municipal problems which confront him.

Charles F. Murphy, leader of Tammany Hall, said that Mr. Sullivan conferred with him before making the agreement. In reply to a question whether he is to remain as leader, Mr. Murphy replied that he supposed he would remain until he was put out, but that was not a part of the agreement with the mayor. Mayor McClellan, when interviewed, said: "I have made no deal and I have authorized the making of no deal which alters my position in any way. It is and shall be my ambition to give the city the best administration that it is possible for me to give it, and factional politics will not be permitted to interfere with that course. I take back nothing that I have said concerning the management of the Democratic organization. If the elements that constitute Tammany Hall wish to harmonize on that plane, I am for harmony."

Strikebreakers in Oil Fields.
Beaumont, Tex., April 30.—Fifty strikebreakers arrived from New Orleans to work in the oil fields for the Gulf company. All pumps, plates and pipe lines are working and the company claims to have plenty of men. Samuel Gompers, president of the American Federation of Labor, has sent a special organizer here to take charge of the strike. The Gulf company is employing a large number of men to act as guards. These are given authority of deputy sheriffs and are stationed about the property.

Chair Factory Destroyed.
Corry, Pa., April 30.—Fire destroyed the Union City Chair company at Union City, nine miles west of here, and damaged the Union City electric light plant, causing a monetary loss estimated at over \$300,000. An hour after the fire started the water supply failed through a breakdown at the pumping station of the water company.

EIGHTEEN MINERS ARE ENTOMBED RESCUERS AT WORK

Liege, Belgium, April 30.—Eighteen miners were cut off by a flood in the Angleur pit, near this city. Two hundred others succeeded in making their escape. The flood took place without warning in a gallery 200 feet from the surface. A majority of the men who escaped were dashed to the bottom of the shafts, whence they were hoisted to the surface. The entombed men were prevented by falls of earth from making their way out. Relays of salvagers with apparatus are endeavoring to reach their comrades, and the mine officials are hopeful for their success.

REBEL FACTIONS FIGHT IN STREETS OF THE CAPITAL

Men Who Helped Nicaragua Overthrow Bonilla's Troops Have Fallen Out.

New Orleans, April 30.—A battle occurred recently in the streets of Tegucigalpa, capital of Honduras, between factions of the victorious Honduran rebels who helped Nicaragua overthrow Bonilla's government.

According to belated reports, troops of the junta open hostilities among themselves on April 8. The fighting was brought on because of the unusual kind of government which the leaders had tried. Three of these leaders, Rosales, Bustillo and Castro, agreed to take turns as president, each serving 15 days. It developed, however, that each during his term attempted to strengthen his party by dividing up the patronage where it would do him the most good. Finally the friends of Policarpo Bonilla proclaimed Bustillo provisional president without any 15 days' clause, and the opposing factions did the same thing for Rosales. Then fighting began in the streets. Badly aimed bullets showered upon the houses, but caused only seven deaths. Later another battle was started near the town, but this time the Nicaraguan invaders marched up and literally arrested all the troops of both factions. This effectively stopped the fighting. Later General Leguel Davila became president, with the faction leaders holding the ministerial offices.

PERUNA CASE IN SUPREME COURT

Washington, April 30.—The question whether retail druggists have a right to sell patent medicines below a price established by the manufacturers is involved in the case of Samuel B. Hartman, patent medicine manufacturer of Ohio, against the John D. Park & Sons company of Kentucky, in which a petition was presented to the supreme court of the United States asking that court to bring the case up for review.

Oskaloosa, Ia., April 30.—An almost unprecedented snowstorm prevailed here, with the temperature near freezing. Four inches of snow fell at

AT CINCINNATI SECRETARY TAFT SPOKE LAST NIGHT

BEFORE THE BUSINESS MEN'S CLUB OF THAT CITY, AND WELL RECEIVED.

AND ALSO TALKED POLITICS

Chairman Brown of Republican State Committee is Opposed to an Ohio Primary.

Cincinnati, O., April 30.—Secretary of War Taft was the guest of honor Monday night at the banquet given by the Business Men's club. He responded to the toast, "The Panama Canal," and his address was well received. The secretary was uproariously applauded when he declared: "If the Panama canal is not completed within eight years from now, I shall be greatly disappointed. If it is completed in less time than that, I shall not be greatly surprised."

Referring to the rejection of bids for the canal work, the secretary said: "We advertised for bids on the canal work, and then declined them for the reason that we found that it would be necessary for the contractors to have the help of capitalists, and we would be compelled to allow to the contractors 7 per cent interest on the money they would be compelled to borrow from the capitalists. As we could borrow money at 2 per cent, this 7 per cent proposition did not appeal greatly to us."

The business men's banquet came as a climax to the last of the three days of his present western trip, and it was a fitting culmination to the reception that has been extended to him on every side by his Ohio friends. The hall was packed to its utmost limit. The secretary, before the banquet, held an extended conference on the condition of Ohio politics with N. C. Wright of Cleveland, who outlined to him the exact position of the majority of the leading Republicans in the northern part of the state. The remainder of the day was given over to impromptu receptions to his friends. The secretary left for Washington at noon today.

Opposed to State Primary.
Toledo, O., April 30.—Walter Brown, chairman of the Republican state central committee, issued a statement in which he expressed himself as being opposed to holding any primary this year, which, he points out, would confuse local with national issues. Mr. Brown said: "No request has been made of me as chairman of the state central committee to call a meeting for the purpose of considering a state primary election to determine the choice of the Republicans of Ohio for a presidential candidate. Until some such request is made I have nothing to add to what I said when such a state primary was first suggested, that, in my opinion, it would not be feasible to conduct a primary election upon a general election day." Mr. Brown stated that the members of the state committee are not tied up either by Foraker or Taft to the extent that they would act arbitrarily on any one subject which might be of particular interest to either. That is to say, the committee would not let either Taft or Foraker dictate to the members just what must be done.

Senator Dick at Washington.
Columbus, O., April 30.—Senator Charles Dick was unable to return to Ohio with the Jamestown party. Just before the Ohio officials reached the national capital Mrs. Bond, sister of the junior senator, was run down by an automobile and very badly injured. Late advices indicate that she will recover, although she is in a serious condition, her chest being crushed severely under the heavy wheels.

BETTER FREIGHT RATES DEMAND OF SHIPPERS

Cincinnati, O., April 30.—Plans for appealing to the interstate commerce commission for better freight rates to the southeast were arranged at a conference here between E. E. Williamson, commissioner of the Receivers' and Shippers' association of Cincinnati, and H. C. Barlow of the Chicago Shippers' association. "We have exhausted every means to induce the railroads to give the central west better rates to the south, as compared with the eastern states, and an appeal to the commission is all that remains for us," said Mr. Barlow.

Discrimination Charged.
Cleveland, O., April 30.—Martin Decker of New York, special agent of the interstate commerce commission, gave a hearing here in connection with the complaint of the Stowe-Fuller company of this city against the Pennsylvania and other railroads, charging discrimination in freight rates.

lumbus, where he has been in the banking business for many years. Mr. Gard came to Newark in February, 1906, to succeed Edward W. Crayton, who resigned to enter the lumber business in Newport, Ark. In Columbus Mr. Gard was connected with the Ohio National Bank and the Lincoln Savings Bank. He is secretary and treasurer of the bank with which he is now connected and has the confidence of his former employers as well as his associates in the local institution. Mr. Gard is a member of the Odd Fellows lodge and of the Masonic bodies and has made many friends during his residence in Newark.

RESCUE PARTIES READY FOR DASH TO SAVE MINERS

Who Have Been Imprisoned Since Saturday—Signals Indicate They Are Still Alive.

Johnstown, Pa., April 30.—With another powerful pump today, added to the number engaged in pumping out the Foustwell mine where seven miners have been imprisoned since Saturday, it is believed the rescue will be effected by night.

The rescue parties are ready for a dash into the mine as soon as an attempt is possible. Unless the miners are rescued speedily it is feared they will be dead. It is known the pit must be bitterly cold. They have had no food for four days. Friends of the prisoners are threatening vengeance if they do not escape. Signals show the men are still alive.

WILLIAM J. BRYAN GUEST OF HONOR

Portland, Me., April 30.—William Jennings Bryan, as the guest of honor at the ninth annual banquet of the Maine Democratic club, discussed national political issues. In reference to a reported fund raised to prevent President Roosevelt from carrying out his ideas, Mr. Bryan said they were ideas taken from the Democratic platform. Referring to the last presidential campaign, he said he did get just the platform he wanted, and added: "But I got just the candidate I did not want at all. However, I did what I could to support the ticket."

MOTORMEN WANT NINE HOUR DAYS ON CHICAGO CARS

Chicago, April 30.—Motormen and conductors on the lines of the Chicago Union Traction company decided at a meeting to demand a wage scale of 23.12 cents an hour, with a nine-hour workday. The increase is 37 per cent over the present scale, besides a reduction of 10 per cent in the hours of labor. The men on the Chicago City railway are preparing a similar scale. Both companies and the labor organization are pledged to arbitrate differences, so that there is little probability of a strike.

Negro Shot by Mob.
Columbus, Ga., April 30.—D. B. Mitchell, a Columbus traveling man, was shot in the arm at Pittsview, Ala., by a negro named Ebb Calhoun. Calhoun later was shot to death by a number of white men, seven or eight participating. The sheriff and a posse have gone from Seale at the request of Pittsview citizens. The trouble was started by Calhoun's son running against a white woman at Pittsview.

MR. ELI HULL GIVES \$14,000 TOWARD BUILDING A CHURCH

Generosity of Newark Capitalist Will Enable West Newark M. E. Church to Erect a Fine New Edifice

This Church Has Outgrown its Present Quarters and now Has Nearly 300 Members After Only a Year and a Half Existence.

Mr. Eli Hull, a Newark capitalist, has just completed an arrangement whereby the West Newark M. E. church will receive a net sum of about \$14,000 or over toward the erection of a new house of worship. Mr. Hull has offered a beautifully located property, consisting of 80 select building lots, to the church. Disinterested appraisers set the value of the property at \$30,750. This appraisal will fall \$75 short of the average value of each lot. The property offered is situated in Hull's addition, running to Church street between Linden and Neal avenues. Mr. Hull has offered the church \$10,750 of this appraised value, plus any amount over this that the lots will bring. It is said that the church can net fully \$3000 above the appraised value of the West Newark land.

This arrangement has been under consideration for the past week. Previous to this for several weeks, Mr. Hull has been considering negotiations with a prominent local real estate dealer, whose intention it was to place the lots on the market in the usual way.

The only condition attached to the gift is that the property be sold within 30 days from the time of the acceptance of the proposition. That this will probably be an easy matter for the church to do is evidenced by the fact that the pastor of the West Newark congregation, the Rev. H. L. Bailey, who is enthusiastically exerting every effort, with a little hustling, contracted 20 of the lots within 24 hours. The fact that the property is the most select for building purposes doubly assures the sale of the lots within the given time limit.

The West Newark M. E. church, known as Elizabeth chapel, has been in existence now but a year and a half, and is, in point of number, the third church to be pressed into use by the rapid growth of the Methodist denomination in Newark. In the year and a half the membership of the chapel has grown to 287 and is rapidly increasing, the congregation being a representative one of West Newark.

The terms upon which the property will be disposed of by the church are very easy. One-third of the selling price will be demanded as a down payment, and a year will be allowed for each remaining third payment, the deferred payments to be secured by mortgage on the premises sold.

The terms of Mr. Hull's generous offer to the church, as presented to the elders and trustees of that body, are in legal form as follows:

To the Board of Trustees of Elizabeth Chapel, Methodist Episcopal Church of the West End, Newark, Ohio:

Gentlemen—Whereas it is desired upon the part of your board and upon the part of the membership of the church you represent, that some scheme be suggested and plan adopted whereby funds can be raised sufficient to erect a new church and carry into execution all the other desired plans of said church membership, and

Whereas, it is the desire of the undersigned to assist said church membership in a material way, and

Whereas, the undersigned is at the present time the owner in fee simple of eighty lots (or land equivalent thereto when platted), free and unincumbered, said lots and premises being located on the following named streets in the city of Newark, Licking county, Ohio, to-wit: Church street, Neal avenue, Neal place and Linden avenue, all of said lots and premises being bounded by the aforesaid streets except ground sufficient to plat five lots on the north side of Church street and lying immediately opposite said remaining described premises on said Church street, and the lots and premises hereinbefore described being all these lots and premises included within the above boundaries except five lots facing on Linden avenue, and,

Whereas, the streets and alleys bounding said premises have been properly improved and duly accepted by the city of Newark, Ohio, and the same has been so entered upon the

records of said Licking county, Ohio, and,

Whereas, the undersigned has had said premises appraised through and by disinterested parties, and the fair valuation placed on said premises by said parties is \$30,750, and,

Whereas, it is the desire of the undersigned that your honorable body, either through personal investigation or through a committee or committees appointed by you to appraise said premises, and before the acceptance of the proposition hereinafter made, satisfy yourselves that the valuation of \$30,750 fixed by disinterested parties as aforesaid, is a fair and reasonable valuation and,

Whereas, it is the desire of the undersigned that if said valuation be satisfactory to you and the membership of the church to turn over to you and the membership of your church out of the proceeds of the sale of said premises the sum of \$14,000, and as much more as said premises can be sold for in excess of said sum of \$30,750.

Now, therefore, be it known that solely by reason of the above conditions and for the sole purpose of carrying out the wishes and plans of said church membership the undersigned submits to your honorable body the following proposition:

That the said undersigned will at once, and as soon as the same can be done, proceed to plat into lots of forty feet frontage, that portion of the above described premises at the present time not platted, and will as soon as possible have the same accepted by the city of Newark, Ohio, and entered upon the record, in legal and proper manner.

That the undersigned will execute and deliver general warranty deeds for all of said lots, clear and unincumbered to all purchasers therefor furnished by your honorable body upon the payment to the undersigned of \$250 for each and every lot above described, provided all of said lots be sold within 30 days from the date of the acceptance of this proposition by you.

That the undersigned will accept \$250 for each lot in cash, or that he will accept 1-3 of the actual purchase price of any lot (provided said actual purchase price be not less than \$250) and the remaining two-thirds in one and two years from date thereof, the said deferred payments to bear interest from date at the rate of six per cent per annum payable annually and to be secured by first mortgage on the lot or lots so sold, and the undersigned will account to you honorable body for all that portion of said purchase price in excess of said \$250.

That all deeds and all mortgages when necessary to be executed shall be executed at the expense of the undersigned, but all record thereof shall be at the expense of the purchaser of the lot.

Respectfully submitted,
ELI HULL.

OREGON PIONEER WILL SPEAK TONIGHT

EZRA MECKER.

Contrary to expectations Mr. Ezra Meeker, one of the pioneers of the old Oregon trail, who made the trip to the Pacific slope in 1852, was unable to deliver his talk on the streets Monday night. Mr. Meeker, who is making the trip with a typical schooner of the old days, drawn by a team of oxen, had arrived in the city Sunday night and expected his assistant to arrive about 6 o'clock Monday evening. Owing to the heavy condition of the road and the heat it was inadvisable to push the oxen and they did not arrive in Granville until Monday evening. An early start, how-

ever, was made Tuesday morning and shortly before 10 o'clock the team of oxen, drawing the old schooner, came slowly plodding into the city. The outfit was met by Mr. Meeker who gave a short talk to a good sized audience of the curious at Emerson's corner and will give a history of his travels and of the old Oregon trail this evening. Tomorrow the team will be taken to the Everett glass works at the noon hour, where Mr. Meeker will deliver another talk, after which he will start for Zanesville. He expects to be in that city Friday and Saturday of this week.

The RAYMOND PIANO

"Nearest the Human Voice"

The logic of little things

Every little thing in the RAYMOND Piano is selected and installed with two ideas in view—human tone quality and durability.

"Is it the best?" is our first question, but we don't stop here—we severely test and prove or discard.

Imported copper-wound bass strings are little things but they cost over three times as much as iron-wound or copper-plated.

Ebony sharps and genuine ivory keys are little things but they cost more than wood (painted black) and ivory seconds or imitation.

So on we could run the whole list from the smallest screw to the case, should space permit, but we rest assured that you catch the point.

The RAYMOND is the result of 51 years experience in building instruments from the "best of everything."

You can go over its make-up with a fine-tooth comb and there is only one conclusion—the RAYMOND is the best piano investment in the world.

We guarantee it for ten years, but it will last a lifetime. Our 24-page Piano Book, illustrated in color, free on request.

No State Republican Primary.

Suddenly the much talked of primary election to be held by the Ohio Republicans to settle the State's preference as between Taft and Foraker for the Presidential nomination, has received a practical quietus. The proposed primary election can only be held by the order of the State Central Committee, and Walter Brown, the chairman, has issued a statement that is decidedly unfavorable to the project.

The proposition was to hold the state primary on the day of the general election next November, and Chairman Brown tells the Republicans that it would not be feasible to hold any such primary at that time. That settles it, for Chairman Brown is one of the chiefs of the State bosses, and no primary will be held to settle the fight between Taft and Foraker on the next general election day.

By that time Taft is more likely to be out of the race than in it, anyway, for if the third term program is then in progress it will be so apparent that the secretary's candidacy is not gen-

It will be observed that the denials of Roosevelt's candidacy for a third term are not so numerous nor so emphatic as they were some months ago. At the same time it is significant that Senator Bourne, of Oregon, has been conducting from headquarters in the White House an active propaganda for what he calls "a second elective term."

AN EMERY WHEEL CAUSES INJURY OF THOMAS BROWN

Mr. Thomas Brown, proprietor of the Central City Stove Works, was the victim of a painful and serious accident on Monday. He was holding a casting over an emery wheel, which broke and one of the pieces struck him in the face below the left eye, breaking his nose and cutting a deep gash in his face three inches in length. He was rushed to the city where his injuries were attended by Dr. Charles Stimson.

THE PANAMA DITCH OF RACCOON CREEK

And the Disappearance of the Skidoo Money Wrung from the Taxpayers of Licking County.

(Communicated.)

Persons living near the extension of West Church street, where it crosses Raccoon creek are wondering why the county commissioners are not giving them relief so as to cross the ford even when the waters are low. It will be remembered that persons living in that vicinity and west of Newark have asked in vain the present board of county commissioners for several years to bridge Raccoon at this point, claiming that the new houses immediately springing up as a result of such a bridge would, in a short time, add enough valuation to the tax duplicate to pay for it.

But last fall when the county commissioners were busily engaged in exchanging county patronage for jury votes, they conceived the idea of giving the people something they had not asked for, and something they did not want, viz., a kind of rainbow, Panama ditch, and Mr. Jury for the time being, was to play Bill Tatt.

A ditch was soon constructed, a brush and gravel dam built, and the rising water from

A child could have predicted the result. The dam and the \$2300, the skidoo money wrung from the pockets of the people, are now presumably somewhere in the Ohio river, and the frisky waters of old Raccoon refuse to switch into the Lambert Graham Jury ditch(?)

As a result of the so-called ditch the debris has obstructed the ford to such an extent that farmers are compelled to drive either to West Main street or to the Granville road to get to the city. Heretofore, before any ditch was dreamed of for this Panama Zone, the ford, except during high water, afforded a reasonable means of egress and ingress for the people in the middlewestern part of the city, as well as for farmers living just west of the city.

It is stated by those who have given the matter some attention, that if the water should follow the ditch it would render the bridging more difficult, because then the bridge would stand in the middle of the rising water from

GRANVILLE NEWS

Granville, O., April 30—The annual convention of the Granville township Sunday school association was held Sunday, the afternoon session in the Presbyterian church and the evening session in the Baptist church.

At the afternoon session, after devotional exercises by the Rev. J. N. Eason, pastor of the Methodist church, the reports were given by the superintendents of the different schools, all showing a substantial advance in the different lines of progressive Sunday school work. Following this was an address by the Rev. W. H. McDaniel, of Alexandria, president of the Licking County Sunday School association, who gave an interesting and profitable talk on "The Threefold Relation of the Sunday School," showing how it is Biblically related with the home, church and state.

The closing address of the afternoon was delivered by Prof. M. A. Honline of Columbus, educational superintendent of the Ohio Sunday School association, who spoke on the need of trained teachers. Prof. Honline believes that the key to successful Sunday school work rests in the teachers, and plainly showed the large field of usefulness open to the well trained teacher.

Special music was furnished at the afternoon session by Jenkin Jones, assisted by a choir composed of members of the different schools.

Mr. Jones and Miss Howland also sang a beautiful duet, which was greatly appreciated by the large audience in attendance.

At the evening session, which was largely attended, President E. W. Hunt of Denison university, conducted the devotional exercises after which the officers of the association for the ensuing year were elected as follows:

President, W. A. Holmes.

Vice Presidents, L. W. Perry and Mr. Hislop.

Secretary and Treasurer, Miss Beulah Brown.

Normal Secretary, Prof. W. A. Chamberlain.

Primary Secretary, Mrs. J. M. Jones.

Home Department Secretary, Mrs. J. B. Jones.

The address at the evening session was delivered by Prof. M. A. Honline of Columbus, who took for his subject, "The Young Man and the Sunday school." For 40 minutes he held the closest attention of the large audience as he pointed out the value of the Sunday school in behalf of the young men of our country.

Dr. C. J. Baldwin made the closing address to the convention, in which he made some very appropriate remarks which will prove of value in future work.

Mr. Edward Scott who for some time past has been working on the George Howell farm, east of town, but who for the past few days has been in the village, sustained a slight stroke of apoplexy while walking on the streets, near the postoffice Monday, and fell to the ground. Dr. Cook was called, who had him removed to the home of his sister, Mrs. Owen Evans, where he is now getting along nicely, and the attending physician is of the opinion that he will rapidly recover.

Mr. and Mrs. H. M. Laughery of Henry county, who have been visiting relatives and friends in Newark and vicinity for the past few days, have returned home.

PAINFULLY INJURED

George Felber, of 1023 Dryden Road, Columbus, met with a very painful accident here Tuesday afternoon. Mr. Felber had come over to the city on an interurban car arriving here at 1.45 o'clock, in charge of Conductor Forsha and Motorman Lybrand. He wanted to catch an East Main street car and attempted to get off, when he fell, between Third and Fourth streets, and struck on the back of his head, cutting an ugly gash in it. Dr. Smith was called and attended the injury and the man was able to go to Columbus on the next car.

Beautiful New Spring Wash Fabrics

THE MONTH OF MAY is the month of finishing touches. Final preparations for summer should be made during this month. We have the greatest variety to choose from ever offered by any store in this section.

Persian Lawns

Persian Lawns with a texture as fine as the spiders web, yet so substantial that they can be washed with absolute safety, have been and will be, the most desirable of fabrics for fine white dresses, such as graduating gowns, party dresses, etc. unusually good values

15c to 65c yard.

Wash Chiffon

Another of the most favored fabrics. We invite attention, especially to the qualities at

50c and 60c yard.

Mercerized Batiste

This cloth gets its name from the uniform smoothness of the weave and the permanent silk finish. The extreme width makes it inexpensive, measuring full 45 inches. An item in cutting. Special values at

35c to 50c.

Dotted Swiss Plain and Embroidered.

Graduating gowns and the fluff creations made of Swiss are especially stylish this season. It is not only in demand for dresses and waists, but it is being used for Kimonos, dainty bonnets, etc. There is a dainty crispness about Swiss that makes it most desirable and attractive. The dots and figures in our Swiss are embroidered fast and can be laundered with perfect safety. Good values

From 15 to 60c.

India Linons

No other sheer white fabric is used so exclusively as India Linen. We unquestionably give you superior values by buying in large quantities direct. The price range is 8c to 30c and every number is a leader.

Among the other desirable White Goods we mention checked Mulls, Mercerized Madras, Marsailles, Poplins, Linen Finished Suitings, etc.

For those who admire a bit of color we suggest

Plain and Figured Silk Mull

Sheer fabrics of bright charm and striking effect, beautiful colorings and patterns. Two qualities

25 and 50c yard.

Bonzai Silk

This is one of the most clever cotton products ever produced. It is made of Egyptian Cotton mercerized in the yarn, a permanent finish which closely resembles silk. The patterns are dots and dainty woven figures which look as if they were hand-embroidered with silk. Full range of colors.

50c yard.

Yogo Silk

This is an entirely new wash fabric in woven plaid effects, in contrasting shades and has the appearance of silk.

50c yard.

Silk Dots

One of the best of thin fabrics, which you only need see to admire. Full line of colors, 27 inches wide.

30c yard.

Also a large line of strikingly beautiful novelties

Organdies, Dimities and Lawns

as well as full assortments of staple fabrics.

USED CHLOROFORM ON THE BURGLAR AND CALLED POLICE

THEN FELL FAST ASLEEP HER-
SELF AND THE THIEVES HAD
VANISHED.

WITH THE VALUABLE BOOTY

Principal News of Buckeye State
Briefly Paragraphed for Busy
Advocate Readers.

Cleveland, O., April 30.—When Mrs. Sharp returned to her home she found two burglars fast asleep in her bed. To insure their capture she procured a bottle of chloroform, put them farther into slumberland and then started for the telephone to summon the police. She became faint after drugging the burglars and fell fast asleep herself, and when she awoke learned to her chagrin that the burglars had vanished with her valuables and much other booty. In their flight one of them dropped his pipe, and with that as evidence Policeman Unterzuber arrested Charles Frank and Leon Alger. They were bound over to the grand jury.

Epidemic of Smallpox.

Piqua, O., April 30.—A smallpox epidemic is raging at Houston, a village north of Piqua. Fifty persons are down with the dread disease, which was at first diagnosed as chickenpox and thus got a good start. Hundreds have been exposed, many of them visiting Piqua and Sidney and other towns. Health Officer F. E. Kitzmiller has been appointed a special inspector by the state board of health, and is taking every precaution to stamp out the epidemic. All suspicious places have been quarantined, and every one known to have been exposed has been placed under surveillance and given strict orders to stay at home.

No Trace of Murderer.

Portsmouth, O., April 30.—The remains of Marshal Arthur Rutter of New Boston, who was killed by an unknown man, were shipped to his old home near Lancaster. Nellie Maple, the girl with whom the murderer tried to arrange a clandestine meeting through anonymous letters and for which Rutter sought to arrest the fellow, has been interrogated, but remains unshaken in her story that she never saw the man before. The contents of the letters indicate that the girl had never formed the writer's acquaintance. The murderer is still at large.

Against Gas Merger.

Cincinnati, O., April 30.—County Prosecutor Rullison received a request to bring ouster proceedings against the Cincinnati Gas and Electric company, the Union Gas company, the Cincinnati, Newport and Covington Light and Traction company and the Columbia Gas and Electric company. The request is made by M. K. Smith of Cleveland. The grounds for ouster proceedings, Smith's attorneys say, is the alleged violation of the Valentine anti-trust law.

Wounds Prove Fatal.

Cincinnati, O., April 30.—Patrolman William Satters died of wounds received in a pistol duel with J. P. Schwartz, a resident of Shantytown, on the street here. Schwartz was shot five times by the officer, but it is believed he will recover. The duel followed an attempt by Satters to arrest Schwartz for threatening to kill another resident of Shantytown.

White Youth Stabbed by Negro.

Springfield, O., April 30.—Considerable excitement was occasioned here when Samuel Perrine, 8, colored, stabbed Charles Webb, 17, white, in the heart with a penknife. Webb died instantly. Webb was hurried to the hospital while the police hurried Perrine to the jail to prevent violence. The affray was outcome of a quarrel.

Boat Capsized.

Columbus, O., April 30.—While preparing for the festivities with which they intended to celebrate the anniversary of his birth, the parents of Fred Dewitt received the news of the boy's death by drowning. With several companions he started up the Scioto river in a boat, which was caught in an eddy and capsized.

Mrs. Williams in Custody.

Columbus, O., April 30.—Mrs. Lizzie A. Williams, 50, who has been confined in insane asylum since the murder of her two children at the Park hotel in 1895, and who made her escape Sunday, has been recaptured. From the asylum she went to the home of a friend, who turned her over to the authorities.

Prosecutor Schwartz Dead.

Cincinnati, O., April 30.—John C. Schwartz, former county prosecuting attorney for two terms and at one time prominent in Republican politics in this city, died at his home here from hasty consumption. He was 50 years old.

Took Carbolic Acid.

Zanesville, O., April 30.—Clyde Dixon, 25, single, committed suicide at his boarding house in Putnam by taking carbolic acid. He had just been discharged from the hospital after a five weeks' illness.

Hanged Himself.

Columbus, O., April 30.—Despondency prompted James Weaver, 51, a farmer, residing near Hilliards, this county, to take his own life. His body

The Well Informed of the World.

A vast fund of personal knowledge is really essential to the achievement of the highest excellence in any field of human effort.

A Knowledge of Forms, Knowledge of Functions and Knowledge of Products are all of the utmost value and in questions of life and health when a true and wholesome remedy is desired it should be remembered that Syrup of Figs and Elixir of Senna, manufactured by the California Fig Syrup Co., is an ethical product which has met with the approval of the most eminent physicians and gives universal satisfaction, because it is a remedy of

Known Quality, Known Excellence and Known Component Parts and has won the valuable patronage of millions of the Well Informed of the world, who know of their own personal knowledge and from actual use that it is the first and best of family laxatives, for which no extravagant or unreasonable claims are made.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent family laxative. As its pure laxative principles, obtained from Senna, are well known to physicians and the Well Informed of the world to be the best we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of—Syrup of Figs—and to get its beneficial effects, always note, when purchasing the full name of the Company—California Fig Syrup Co.—printed on the front of every package, whether you call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna.

Ages ago, the mysterious working of the waters of Aachen (Aix-la-Chapelle), Germany—their healing, rejuvenating and beautifying effect on the skin—was regarded as miraculous.

Now, however, this subtle agency is known to be due, entirely, to the many salts contained in them.

With these magic salts of Aachen, and a soap basis of absolute purity, Prof. Stahlschmidt, the great German scientist, has produced

veroform toilet soap

—dainty and luxurious—Nature's own promoter of health and beauty. It makes a rough skin smooth, and renders a hard skin soft. To the pallid face it imparts the glow of health, while it changes an otherwise unattractive complexion to one of beauty.

The most exquisite toilet soap that ever was made, even if it had no medicinal value. The most effective medicinal soap that ever was made, even if it had no special merits for the daily toilet.

IN AUTO PARADE BALL PLAYERS TO RIDE TOMORROW

BAND WILL HEAD PROCESSION
WHICH WILL MOVE OVER
MANY STREETS.

THE PARADE STARTS AT 1:30

Will Parade Central Part of Town
and in East Newark and Back
to Ball Park.

Wednesday, the opening day of the O. P. league season will be a gala day for the bugs here and arrangements have been made for a big celebration. A meeting of the directors held last night completed the details for the day.

A large number of automobiles have been offered to make the parade a success and the following citizens with their machines will meet at 1:30 o'clock at the Mills garage to start in the parade: Dr. P. H. Cosner, E. C. Norris, John Chilcote, B. B. Jones, Chas. Rhodes, William Williams, Mr. Schauweker, Dr. A. V. Davis, Dr. Turner, Joe Moser, John Braddock, Judson Reese, George Kinney, Frank O'Hara, William Fitzsimmons, Channing Thompson and Julius McNamar. Mr. Mills will also furnish two or three machines.

The directors decided to engage the Buckeye Band for the afternoon. The band will board a car at the Auditorium at noon Wednesday and will go over all the city lines until 1:30 o'clock, when they will head the parade. It is the intention of the company to thoroughly advertise the game over the city during the day.

The parade in the afternoon which will end at the ball park, will include the members of each team, in autos, members of the local board of directors, city officials and others. The parade will form on South Second street promptly as they will have to make good speed in order to go over the route mapped out.

The parade will move over the following named streets: From South Second street to south side of the square, west to Third street, north to West Main street, west to Fourth, north to Church, east to Third, south to north side of square, east to Second, south to Main, east to Cedar, countermarch to First, north to Church, west to Fifth, south to Main and west on Main and Union to Wehrle Park.

This will give all the residents of the city an opportunity to see the two teams which will combat for the highest honors at Wehrle Park tomorrow afternoon. The players will be seated in the automobiles mentioned above.

BERRYHILL MAY PLAY FIRST IN OPENING GAME

Manager Bob Berryhill may have to play the initial sack in the opening game Wednesday afternoon. First Baseman Pierce was sick in bed all day Monday, and in the practice at the park Monday, Bob had to get warmed up. "It breaks up a team very badly to have any of the infield incapacitated. An infield with signals working perfectly can be easily demoralized by taking out one man, even though the substitute is thoroughly familiar with the signals. I hope Pierce will be able to get back into the game Wednesday."

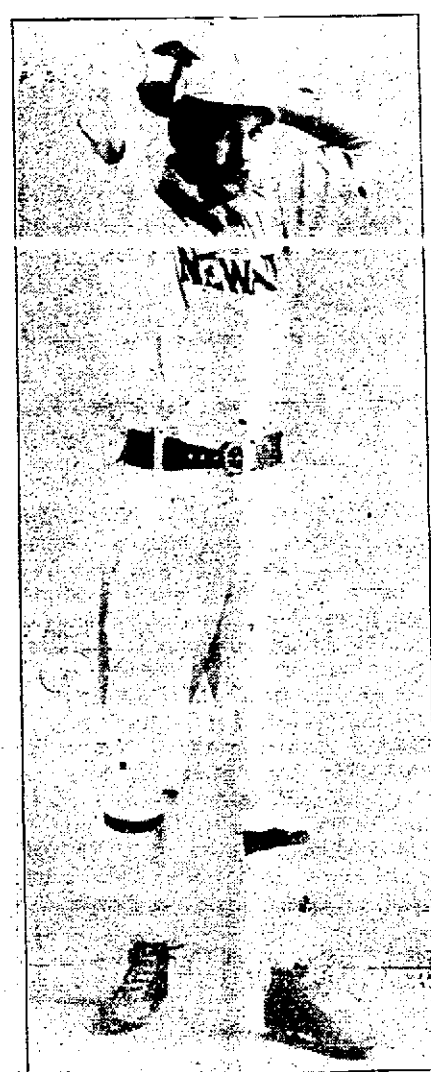

HENDERSON AND THOMAS RELEASED

The official ax fell Tuesday morning and the only two victims were infielder Thomas and Pitcher Henderson. Both these men, while making a good showing, could not compete with the other candidates for the positions for which they were working. Thomas has a good whip but has a habit of booting the balls in a manner that did not look good. Pitcher Henderson needs seasoning. Aside from these points both men made good impressions on the local bugs.

Manager Berryhill will carry a utility infielder and an extra pitcher. In all there will be 16 men in the squad including the manager. This will protect the team from any sort of an accident. Ascher or Linke can work in the outfield if necessary and Smith is a good utility infielder. As far as utility men are concerned, the local club is better protected in this way than ever before.

TWO PITCHERS WHO MAY WORK IN OPENER

LADDY LINKE.

BUFF EHMAN, PITCHER.

Manager Berryhill has announced that Laddy Linke or Joe Stoupe will work in Wednesday's opening game. Manager East will no doubt use Buff Ehman as he has had the advantage of the other pitchers by a two months' work out in the south. Everything is in readiness for the opening game tomorrow.

LINEUP FOR THE OPENING GAME HAS BEEN NAMED

STOPE OF LINKE WILL WORK
IN FIRST GAME WITH WIN-
TERS CATCHING.

TEAM IS IN FAIR SHAPE

Wills Will Play in Right Field, and
Smith Will be Retained as
Utility.

Manager Berryhill has announced his lineup for tomorrow's game with Akron. The team will line up the same as the team which has been known as the Regulars during the practice season. The team will hit in the following order:

Snyder 1f.
Wills rf.
Schweitzer cf.
Wretten 3b.
Haval 2b.
Davis ss.
Pierce 1b.
Winters or Pearce c.
Linke or Stoupe p.
Stoupe will probably work if he is feeling good, and if not, Laddy Linke will start the regular league season. Of course all these statements are qualified by the words, if it doesn't rain.

In speaking to the Advocate man Tuesday morning, Manager Berryhill stated that he was making no permanent claims this season. He stated that it was like betting on the weather. He said that unless he was badly mistaken the Newark team would not be in the second division.

Hard Times in Kansas.
The old days of grasshoppers and drouth are almost forgotten in the prosperous Kansas of today; although a citizen of Codell, Earl Shamburg has not yet forgotten a hard time he encountered. Manager Berryhill, Outfielders Wills and Schweitzer, Pitchers Linke and Stoupe and Catcher Pearce attended the performance.

The minstrel troupe has a ball team among themselves and if they had arrived in town early enough yesterday morning, a game would have been played with the O. P. squad.

EAST RELEASES TWO PITCHERS

Akron, O., April 30—Manager East has released Bill Harkins and Nester Nevenpara, pitchers. Harkins, who was with the Akron team last season, has been showing up well this spring in practice, but because of the quantity of material, East could not keep him. Nevenpara was effective in none of the games in which he worked.

The manager announces that all of the other players, including both Jack Fitzgerald and Eddie Kusel will be taken to Newark with the team for the series which opens Wednesday.

MANAGER WRIGHT TRIMS HIS LIST

Monday night's count in the Advocate's Jamestown contest shows a total of 60,704, the vote for April 29 being 6,113. These votes, as may be seen in the adjoining table, are pretty evenly divided among the 28 contestants, and the figures demonstrate very clearly that it is by no means too late to enter the contest. Any young woman by calling upon or writing to a few of her friends, can easily and quickly secure a vote equal to the highest in the list and there is an additional incentive now that the Advocate offers a pretty diamond ring to the contestant who secures the largest number of new subscribers to the Daily Advocate before 4 p. m. on May 27. Each new subscriber for one year counts 1000 votes on the Daily edition. To the contestant securing next to the largest number of new subscribers a consolation prize of \$10 in gold will be given.

MISS CORA DAIR.

Miss Cora Dair, 80 North Pine street, who is one of the popular young women in the Advocate's contest, is the daughter of Mr. John Dair the well known pump man. Miss Dair is in charge of the private telephone exchange at the Wehrle foundry and has many friends among the large number of employees at that plant.

Several young ladies in the various districts, both in and out of the city, are talking and thinking about entering the contest. It will be to their advantage to enter at once and begin the campaign among their friends. Today's mail brought an order from a far western state giving 1000 votes to a young woman whose name the subscriber had seen in the list, and at the same time came remittances from various parts of Ohio with orders for the vote to be credited to certain candidates.

Right now is the time to enter the contest. A young woman may nominate herself but in each instance two indorsements of the candidacy are required where the contestant is not known personally at this office. The Advocate will be glad to see or hear from young ladies who are thinking of entering in any of the ten districts. The proposition will be fully explained in person or by letter. Address: The Advocate, 100 North Pine street, Newark, O.

MR. LOUGHMAN WON HANDSOME WATCH

As His Township Showed Largest Gains of Any Township in the County.

Last year the Democratic County Executive Committee offered as a prize to the committeeman of the township showing the largest gain on the vote for the Democratic candidate for Secretary of State Hoskins over the vote cast for Governor Patton the year before. The prize offered was a fine gold watch, suitably engraved. The winner was Mr. Jacob S. Loughman, committeeman in Hopewell township. The watch has arrived and is in the hands of Mr. B. F. McDonald, chairman of the Democratic County Executive Committee, and there will be a meeting of that committee on Saturday afternoon at 1 o'clock, at which time the watch will be presented to Mr. Loughman.

NOTICE

To the Democratic Executive Committee of Licking County.

WO! K TRAT TELLS.

Plenty of It Has Been Done Right Here in Newark.

Cures that last are cures that tell. To thoroughly know the virtues of a medicine you must investigate the cures and see if they prove permanent. Doan's Kidney Pills stand this test, and plenty of proof exists right here in Newark. People who testified years ago to relief from backache, kidney and urinary disorders, now declare that relief was permanent and the cure perfect. How can any Newark sufferer longer doubt the evidence?

E. Frank Edwards, plasterer, of 152 Ash street, Newark, O., says: "I had backache and had it bad. For several years I was suffering from sharp, shooting pains in the region of the kidneys and a dull aching and weakness in the back which was becoming very serious. I tried remedy after remedy without finding relief, and I nearly lost hope when I began using Doan's Kidney Pills, obtained at Crayton's Drug Store. It was a gratifying surprise to find after a few doses of this remedy the pain seemed somewhat abated, and I continued the treatment for some little time, using several boxes. I was thoroughly cured. I gave a testimonial at that time to others. It is now eight years since I made that statement, and I am glad to be able to say that the cure was permanent."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agent for the United States.

Remember the name —Doan's— and take no other.

They furnished bail.

TALES TOLD HERE.

Some remarkable stories are being told of this simple home prescription curing Rheumatism and Kidney trouble, even after the most noted health resorts failed to give the slightest relief. Here is the prescription and directions for taking: Mix by shaking well in a bottle one-half ounce Fluid Extract Sarsaparilla, one ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Take as a dose one teaspoonful after meals and at bedtime.

No change need be made in your usual diet, but drink plenty of good water.

This mixture writes one authoritatively, has a peculiar tonic effect upon the Kidneys; cleanses the clogged up pores of the eliminative tissues, forces the Kidneys to sift and strain from the blood the uric acid and other poisonous waste matter, overcoming Rheumatism, Bladder and Urinary troubles in a short while.

Every prescription pharmacy can supply the ingredients, which are easily mixed at home. There is no better blood cleansing agent or system tonic known and certainly none more harmless or simple to use.

DEATHS AND FUNERALS

C. L. V. POWELL.

Mr. C. L. V. Powell, one of the best known engineers, in the service of the B. & O. railroad company died at his home, 309 Eastern avenue this city, on Tuesday morning a 10:30 o'clock, after an illness of three months with Bright's disease of the kidneys. The deceased was aged about 44 years. He was born near Warnock's Station, in Belmont county, and had been in the service of the B. & O. railroad company about 29 years and had been running an engine since 1886. Some 12 years ago he was married to Miss Ann Fisher, daughter of Mathias and Catherine Fisher, late of this city. He is survived by his widow and one brother and two sisters, being Mr. John Powell of this city, Mrs. J. W. Duncan of Bridgeport, O., and Mrs. F. A. Keys, of Bellaire, O. He was a faithful and consistent member of the Church of the Blessed Sacrament of this city, and was also a member of the Brotherhood of Locomotive Engineers, Division No. 36, of this city. The funeral services will be held at the Church of the Blessed Sacrament on Friday morning at 9 o'clock, conducted by Rev. C. H. A. Watterson. The interment will be made in Cedar Hill cemetery.

JOHN SIMPSON.

Mr. John Simpson of the Simpson Heater company, one of the city's residents, died at the home of his sister, Mrs. William Smith, 396 West Church street, shortly after midnight Monday. The deceased has been confined to his bed suffering from pneumonia for the past 15 weeks.

Mr. Simpson was aged 43 years. He has been prominent in the Simpson foundries here, particularly in the manufacture of the well known Simpson heater. He has been engaged in the manufacturing business for several years, being for a time connected with his father, the late Thomas Simpson.

The deceased is survived by his mother, residing at 207 West Main street, three sisters. Mrs. Smith, Miss Frances and Miss Alice Simpson, and one brother, Walter Simpson of Columbus.

The funeral will be held at the former home of the deceased, 207 West Main street. The exact hour has not yet been determined.

MRS. JENNIE ODELL.

The funeral of Mrs. Jennie Odell, wife of T. J. Odell, who died Monday forenoon, will take place Wednesday at 2 p. m., at the late home, 139 Jefferson street. The services will be conducted by the Rev. J. C. Sparks, and interment will be made in Cedar Hill cemetery.

The deceased has been ill for several weeks from grip and other complications. There remain beside the husband, five children, five brothers and the father of the deceased.

WILLIAM H. DAVIS.

Sunbury, O., April 30.—William H. Davis, one of Sunbury's most prominent and highly respected residents, died Tuesday morning at the home of his son, David H. Davis after an illness of kidney trouble. The funeral will be held Thursday morning at 10 o'clock at the home of his daughter, Miss Thomas H. Davis, in the Welsh Hills, Rev. Bunyon Spencer of Granville, will officiate and burial will be at the Welsh Hills cemetery.

William H. Davis, son of Mr. and Mrs. David E. Davis was born December 20, 1837, in Licking county where he spent a great portion of his life. He was united in marriage with Isabel Williams, a sister of the late Stacker Williams of Newark. Five children were born of the union, four of whom survive, David H. and Mrs. W. E. Piper of Sunbury, Mrs. T. H. Jones of the Welsh Hills, and Mrs. Mary Shaffer of Gahanna. Mr. Davis was a consistent member of the Baptist church and recently has made his home with his daughter, Mrs. Jones who formerly resided in Newark, where for several years Mr. Jones was court bailiff.

COMMITTEE NAMED FOR MANAGEMENT OF 7th O. V. I. REUNION

At the meeting held Monday evening at the office of Mr. Fred C. Evans, the real estate man, the committee appointed at the meeting held last Friday night to name a general executive committee in whose hands will be placed the management of the coming reunion of the Seventh Ohio Volunteer Infantry Regiment in the war with Spain to be held on Monday, August 5, 1907. Company G of Newark, and Company K of Hebron represented Licking county in this regiment. The committee who named the executive committee represents the interests of the city, "old soldiers" and the young soldiers George W. Chase and Frank C. King from Lemart Post No. 71, Grand Army of the Republic; Fred C. Evans and I. Milton Phillips of the Board of Trade, and Councilman Sylvester H. Beadle and Major Elmer Blizzard of the Seventh Ohio. The committee are to be commended for their excellent selections. Every member will do his utmost to make the occasion a success. The following "live ones" compose the general executive committee: William L. Prout, W. C. Wells, Judge E. M. P. Brister and Carl Norpell of the Board of Trade; Commander R. C. Bigbee, Henry C. Bostwick, James McVey of the City Service Board and Captain W. D. Wood from Lemart Post G. A. R., and E. M. Humphreys of the Fourth O. V. I.; Harry Brown of Battery G, First O. L. I., and Sergeant Charles Walton of Company G, Seventh O. V. I. This committee will meet at the call of Chairman Prout and elect the permanent officers and appoint all sub-committees. Very encouraging reports are coming in from the other companies and the citizens can look for a majority of the regiment to be here on August 5.

The Lutheran church recently issued a call for 1,000 new ministers to fill vacancies in that denomination.

A large Filipino Methodist Episcopal church is in process of erection in a prominent location in the city of Manila.

COURT HOUSE NEWS

HERBERT BIGELOW MADE AN ADDRESS AT TAYLOR HALL

THIS SUBJECT WAS THE INITIATIVE AND REFERENDUM PROPOSITION.

A Law is Now Pending and Will Come Up Before the Next Session of Legislature.

Mr. Herbert Bigelow of Cincinnati delivered an address in the Y. M. C. A. last evening on the "Initiative Referendum." Mr. Bigelow has been for ten years pastor of the Vine Street Congregational church in Cincinnati, and has taken a leave of absence and from January has devoted his time to educational work in behalf of the referendum measure now pending in the Ohio legislature. Mr. Bigelow stated to a representative of the Advocate:

"This measure is the most important measure before the legislature, and if incorporated in the Constitution it will materially change the method of making laws. It provides that acts in the legislature shall remain in-operative for 90 days after passing. At the end of that time, they become a measure without the referendum vote, but if a petition signed by a per cent of the voters of this state is filed with the secretary of the state before the expiration of the 90 day period, demanding a popular vote on the act of the legislature, the legal effect of this petition is to hold this act in abeyance until the next state election when the secretary of state must announce the act upon the official ballot and submit it for the vote of the people.

"It is not intended that there shall be special elections nor that the people shall vote on all measures, but merely that the people may vote on measures to become laws when by petition have invoked the referendum.

"The initiative provides that any representative of the people or the legislature may frame a bill, that may appear in full upon the petition if a designated per cent of the voters sign this petition. If the legislature passes it, it becomes a law without referendum, if the legislature rejects it it must appear upon the official ballot at the next state election so that the people may be able to vote on the measure before the enactment of it into a law.

"The function of lobbyist is two-fold. It is his business to make bad laws through the legislature, also it is his business to defeat the making of good laws. With the referendum people could defeat measures that are bribed through the legislature, and with the initiative could enact measures that are now defeated by the reactionary influence in legislature.

"It will take 93 votes to pass this measure in the House, and we have already assurance of 90 votes. There are still many men from whom we have not heard. We think we will have a unanimous vote on the measure at the adjourned session of the legislature next winter.

"Ohio will then be the eleventh state that has taken this step. The other states are South Dakota, Utah, Oregon, Nevada, Montana, Delaware, Oklahoma, Missouri, North Dakota, Maine. The people of the last four states have not voted on this, but the legislature has already voted to submit the constitutional amendment."

A Criminal Attack

ANNOYANCE

Caused by the Manner in Which the Water Works Construction is Progressing.

Persons living along streets in which water pipes are being laid are objecting to the manner in which the contractors are piling the dirt taken from the streets. In some places grocers, butchers, bakers and milkmen find it necessary to walk several blocks in order to deliver goods to persons in front of whose residences they halt their vehicles. A wide ditch flanked with a huge pile of dirt prevents any easier delivery.

Along Fourth street in the North End persons who had planned carriage rides for Sunday found it impossible to carry out their intentions owing to their inability to get their horses or vehicles from their yards to the street.

What To Eat and When to Eat

Two Important Questions Answered Easily After Reading This.

Every nutritive element of the best white wheat grown in Malta-Vita. This famous food is the whole of the wheat thoroughly steamed and cooked in absolute purity and mixed with the finest malt extract that was ever made, thus it is the richest, strongest food in the world. You understand, of course, that the cooking and steaming of the wheat gelatinizes its starch, and then the malt extract, a powerful digestive agent, quickly converts this starch into maltose, or malt sugar. Maltose is great food, and the weakest stomach digests and assimilates it without effort.

We all know that for many years physicians of high standing in their profession have prescribed malt extracts, which contain a large percentage of maltose. Malta-Vita, the crisp, delicious whole-wheat food, contains from eight to ten per cent of maltose. When Malta-Vita comes from the ovens, it is the crispest, most delicious food in the world, containing only one per cent of moisture. The other 99 per cent is food—brain and nerve and muscle food—and most easily digested.

Malta-Vita is always fresh and crisp, and ready to eat. Delicious, refreshing, invigorating. No other food like it. All grocers, now 10 cents.

OFFICERS ELECTED BY COMMITTEE FOR LABOR DAY

The indications are that the coming Labor Day in Newark will be celebrated on a more extensive scale than ever before attempted, and active work has already commenced to that end. At the close of the meeting of the Newark Trades' Union and Labor Council the General Labor Day committee organized an elected the following officers:

Chairman, John A. Donahue.
Secretary, A. W. Pitts.
Treasurer, C. E. Merrick.

The following committees were appointed: Finance, C. F. Walton, Arthur Morris, Fred Buck, Frank Verhelm, and W. W. Litton; amusements, John A. Donahue, C. F. Walton, and C. E. Merrick; printing, John A. Donahue; committee on county and city officials, Fred Buck, John A. Donahue, and C. E. Merrick.

The finance committee will solicit funds and will begin work Thursday morning. It is hoped that the business men of the city will respond generously as all of the celebration will be held in the city. The general labor day committee will meet Wednesday evening at the Music Hall, which will be their headquarters until after the celebration.
